

# NI Consulting

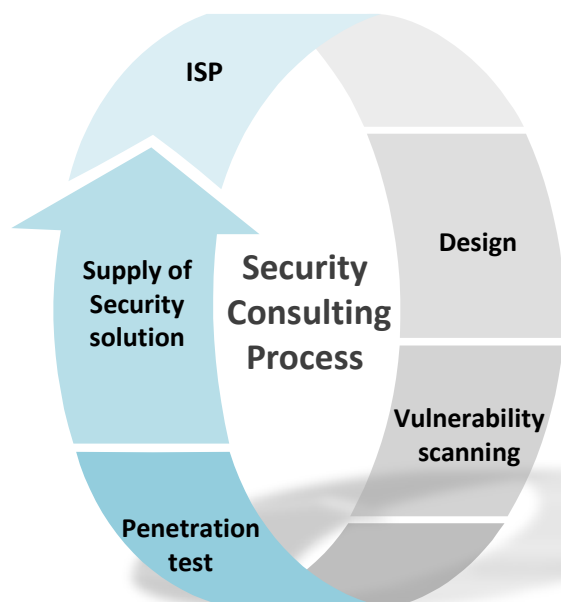

## ❖ Network Consulting

Conduct whole NI process from ISP (Information Strategy Planning) to Operation Guiding with KMT's own Methodology adopted to many projects successfully

## ❖ Security Consulting

Based on global standard (ISO 27001), we build up ISMS (Information Security Management System) and design security system for all of vertical market.

|                             |  |
|-----------------------------|--|
| ISP                         | <ul style="list-style-type: none"> <li>Formulating Information Security Strategy reflected Customer's Business Plan</li> </ul> |
| Design                      | <ul style="list-style-type: none"> <li>Risk Analysis</li> <li>Security System Design</li> <li>Actual Budgeting</li> </ul>      |
| Vulnerability Scanning      | <ul style="list-style-type: none"> <li>Scan the potential vulnerabilities and remove or fix them from legacy system</li> </ul> |
| Penetration Test            | <ul style="list-style-type: none"> <li>Test application system</li> <li>Test legacy security system</li> </ul>                 |
| Supply of Security Solution | <ul style="list-style-type: none"> <li>Security solution for Point Of Sales System</li> <li>Others</li> </ul>                  |
